The information set forth in this affidavit comes from your affiant's personal involvement in this investigation, as well as information provided to your affiant by other law enforcement officers. This affidavit is intended to show only that there is sufficient probable cause for the requested criminal complaint and does not set forth all of my knowledge about this investigation.

**PROBABLE CAUSE**

1. Since April, 2020, DEA Columbus has been investigating the drug trafficking activities of Abel PARDO RODRIGUEZ, Gilberto FLORES, Jovanni AGUIAR VIERA and Willis CRUZ (PARDO RODRIGUEZ Drug Trafficking Organization (DTO). PARDO RODRIGUEZ and FLORES have been identified as facilitators, possessors and distributors of large amounts of fentanyl, and heroin in the Columbus, OH area. AGUIAR VIERA has been identified as a narcotics courier, possessor and distributor of large amounts of fentanyl, and heroin in the Columbus, OH area. CRUZ has been identified as an aftermarket hidden compartment builder to conceal large amounts of fentanyl, and heroin in route to the Columbus, OH and eastern United States area. Your affiant, or other investigators assigned to this case, have interviewed a confidential sources (CS), regarding the PARDO RODRIGUEZ DTO. The CS's information has been corroborated by your affiant, and or other investigators assigned to this case. This corroboration was achieved through a combination of a traffic stop, parcel interdictions, physical surveillance, geo location data, administrative subpoenas and various other sources.

2. The CS indicated that PARDO RODRIGUEZ was working in the Columbus, Ohio area and distributing large amounts of narcotics. Information gained from various sources during the course of the investigation indicated that the PARDO RODRIGUEZ DTO receives narcotics via parcels and vehicles that contain aftermarket hidden compartments and the narcotics are being sent from southern California to Columbus, Ohio and various parts of North Carolina.

3. On or about April 1, 2020, law enforcement seized a parcel (Parcel #1) from the United Parcel Services (UPS). Parcel #1 was sent from a Jose Osvno from a UPS store in Gardena California to a Gil Flores to 2810 Citizens Place, Columbus, Ohio 43232. Parcel #1 was found to contain approximately 227 grams of suspected heroin. Your affiant believes Gil Flores to be short for Gilberto FLORES and that FLORES was the intended receiver of Parcel #1.

4. In June 2020, information gained from various sources during the course of the investigation indicated that the PARDO RODRIGUEZ DTO had a vehicle with an aftermarket hidden compartment and that members utilize it to transport narcotics from southern California to the Columbus, Ohio area. Investigators observed PARDO RODRIGUEZ, FLORES, and AGUILAR VIERA driving and associating with a 2010 Mercedes Benz E320 bearing California registration 8HLT757, at 648 West 92nd Street Apartment 19, Los Angeles, California 90044. Investigators further observed PARDO RODRIGUEZ, FLORES, and AGUILAR VIERA at CRUZ's residence with the 2010 Mercedes Benz E320. CRUZ appeared to be working on and near the right rocker panel. During this same time information gained from various sources during the course of the investigation indicated that PARDO RODRIGUEZ was unhappy with the concealment of the aftermarket hidden compartment on one of the PARDO RODRIGUEZ DTO's vehicles and was having work done to better conceal it. Your affiant believes CRUZ works for the PARDO RODRIGUEZ DTO and is the mechanic who was working to better conceal the aftermarket hidden compartment on the 2010 Mercedes Benz E320.

5. Investigators further observed PARDO RODRIGUEZ, FLORES and AGUILAR VIERA making multiple visits to convenient stores that offer electronic money wire services. PARDO RODRIGUEZ, FLORES and AGUILAR VIERA were observed taking turns going into the stores for short periods of time and returning to their vehicle with only receipts in their hands. Your affiant knows that it is a common practice of DTO's to send money via electronic money wire services in amounts under \$1,000.00 to avoid law enforcement detection. Your affiant believes PARDO RODRIGUEZ, FLORES and AGUILAR VIERA were sending money in the form of a payment or a down payment in preparation for a shipment of narcotics.

6. On or about June 25, 2020, law enforcement conducted a traffic stop on AGUILAR VIERA in the 2010 Mercedes Benz E320 while eastbound on Interstate 40 near mile post 25 in Memphis/Shelby County Tennessee. The traffic stop resulted in the seizure of approximately 4950 grams of suspected fentanyl, approximately 500 grams of heroin, 2465 pills believed to be Oxycodone in an aftermarket hidden compartment in the right rocker panel. Your affiant believes that AGUILAR VIERA was acting under the PARDO RODRIGUEZ DTO and transporting their narcotics to a purchaser in the southeastern United States.

7. During the course of the investigation, investigators observed PARDO RODRIGUEZ, FLORES, AGUILAR VIERA and vehicles associated with them at 456 Derrer Road, Columbus, Ohio 43204 on multiple occasions.

8. Just prior to July 24, 2020, information gained from various sources during the course of the investigation indicated that the PARDO RODRIGUEZ DTO was expecting a parcel to arrive in the mail that contained narcotics.

9. On or about July 24, 2020, law enforcement seized a parcel (Parcel #2) from FedEx. Parcel #2 was sent from Jose Reyes Osuna at 648 West 92nd Street Apartment 19, Los Angeles,

California 90044 to Jose Partida Firma at 456 Derrer Road. Parcel #2 was found to contain approximately 953 grams of suspected fentanyl. After the time that Parcel #2 was scheduled to be delivered investigators observed PARDO RODRIGUEZ drive by 456 Derrer Road. Your affiant believes that PARDO RODRIGUEZ was driving by the residence to see if Parcel #2 had been delivered and if it had been, he was going to retrieve it.

10. After Parcel #2 was seized information gained from various sources during the course of the investigation indicated that the parcel that the PARDO RODRIGUEZ DTO was expecting to arrive was seized prior to its arrival. Your affiant believes Parcel #2 was the parcel that the information gained from various sources during the course of the investigation indicated was scheduled to arrive but did not.

11. On or about August 26, 2020, law enforcement seized a parcel (Parcel #3) from FedEx. Parcel #3 was sent from Jose Osuna at 648 West 92<sup>nd</sup> Street Apartment 13, Los Angeles, California 90044 to Manuel Mendoza at 456 Derrer Road, Columbus, Ohio 43204. Parcel #3 was found to contain approximately 544 grams of suspected fentanyl. Prior to the expected delivery time of Parcel #3, investigators observed PARDO RODRIGUEZ park approximately 1.5 blocks south of 456 Derrer Road and park in a way that he could see up Derrer Road toward the residence. Just before the expected delivery time of Parcel #3, investigators observed PARDO RODRIGUEZ, get out of his vehicle and walk up Derrer Road toward the residence. While walking PARDO RODRIGUEZ was looking all around. Your affiant believes PARDO RODRIGUEZ was looking all around to see if law enforcement was watching him before he went to retrieve Parcel #3. PARDO RODRIGUEZ was observed walking around the area in a way that he could occasionally see the residence for approximately 20 minutes prior to returning to his vehicle and departing the area. Your affiant believes that PARDO RODRIGUEZ was watching and waiting to see if Parcel #3 was going to arrive and when it did not arrive as scheduled he departed.

12. Your affiant noted that the sender name on Parcel #1, Parcel #2 and Parcel #3, Jose Osvno, Jose Reyes Osuna, Jose Osuna all appear to be similar and possibly the same name just different versions/spellings, indicating that all three parcels were sent from the same person/organization. Your affiant further noted that the sender address of Parcel #2 and the registered address on the 2010 Mercedes Benz E320 are the exact same and the address on Parcel #3 is the same except for the apartment number being a 13 instead of a 19. Your affiant believes these similarities ensure all 4 seizures are part of the PARDO RODRIGUEZ DTO.

13. Your affiant believes Abel PARDO RODRIGUEZ, Gilberto FLORES, Jovanni AGUIAR VIERA and Willis CRUZ are working in conjunction with each other as the PARDO RODRIGUEZ DTO in order to distribute large amounts of heroin and fentanyl.

14. Based upon my training, experience and my review of the evidence gathered by agents and other investigators assigned to this investigation, there is probable cause to believe

Jovanni AGUIAR VIERA and others have violated 21 U.S.C 846, conspiracy to possess with intent to distribute over 400 grams of fentanyl. This affidavit is in support of a request for the issuance of a Federal complaint and arrest warrant for Jovanni AGUIAR VIERA.
